

AVerCharge C30i

30 Device Smart Charging Cart

Built for 30 devices

Charge up to 30 Chromebooks, laptops, or tablets up to a 15" screen.

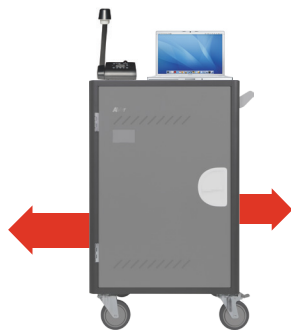

Slide-out Shelves

Slide-out shelves make placing and pulling devices easy, comfortable, and safe.

Compact Design

At only 27" wide, the C30i footprint is small without lacking in capacity. The C30i leaves more classroom real estate while managing your 1-to-1 devices.

Extra-large Slot Design

At 1.34" wide by 15" deep, the C30i can accommodate most Chromebooks, laptops, or tablets in most protective cases.

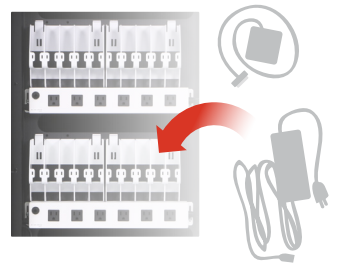

Intelligent Charging

C30i provides intelligent charging with the ability to automatically shut off once devices are fully charged and can help conserve energy consumption or prevent any circuit overload. Save time and money with no programming required!

Easy Cable Management

The C30i includes an efficient cable management system that eliminates a "rats nest" of cables. Individual slots for power adapters help keep cables clean and organized. Wide space between outlets accommodates most plug-in adapters.

Specifications

Device Capacity	30	Cart Dimension	H = 103.7cm (40.83") W = 68.6cm (27.01") D = 63.7cm (25.08")
Slot Size	H = 25.4cm (10") W = 3.4cm (1.34") D = 38cm (14.96")	Package Dimension	H = 121.5cm (47.83") W = 76.6cm (30.16") D = 73.6cm (28.98")
