

# AVerCharge C36i

## 36 Device Intelligent Charging Cart

### Adjustable Slot Design

Whether needing to store and charge 26 or 36 devices, C36i gives you an open size option to fit just about any size Laptop, Chromebook, or Tablet.

### Intelligent Charging System

C36i provides intelligent charging with the ability to automatically shut off once devices are fully charged and can help conserve energy consumption or prevent any circuit overload!

### Accessible and Accommodating

With two slide-out shelves and a spacious slot design, C36i provides easy device access for up to 36 devices.

### Revolutionary Cable Management

Experience simple device management with less slip-n-slide using C36i's cutting-edge cable technology to secure your cords from slipping out of place.

### Secure and Durable

C36i's combination of a sturdy design, 3-point steel locking mechanism, and 5" medical grade casters provide a safe and smooth mobile experience down any hallway or aisle.
