

AVerCharge L12i

12 Device Intelligent Charge Locker

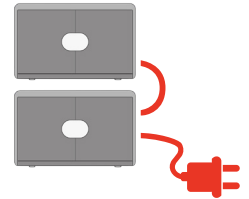

Built for 12 devices

Charge up to 12 Chromebooks, laptops, or tablets up to 15" screen.

Daisy-chain technology

Charge multiple L12i cabinets through a single outlet with AVer's innovative charging system.

Compact Size

The stackable design of the L12i provides secure storage in even the most confined spaces.

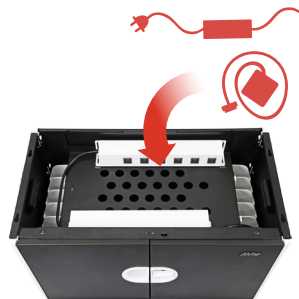

Device Protection

Protect your valuable assets from theft and damage with a three-point steel locking mechanism and foam protected dividers.

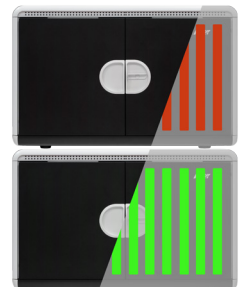

Easy cable management

Designed for easy organization, L12i provides individual AC adapter compartments that accommodate a variety of adapters.

Intelligent Charging

When daisy-chaining multiple cabinets, the intelligent charging feature prevents circuit overload by analyzing and regulating power for a safe charge.
