UE1

USB Extender

TAA NDAA COMPLIANT

AVerCare Pro AV Guarantee 24 Hour Replacement | 5 Year Warranty

Professional PTZ Camera Provider

USB 3.0 Extension for PTZ Cameras

The AVer UE1 extends the reach of your PTZ cameras, overcoming traditional distance limitations with a seamless USB 3.0 extension solution. This unobtrusive extender kit transmits flawless USB 3.0 signals over long distances, leveraging your existing cabling. Perfect for environments with high-bandwidth connectivity, the UE1 lets you mount your PTZ cameras farther away while maintaining exceptional video quality.

- Designed for AVer PTZ Cameras
- USB 3.0 Protocol
- 4K 60FPS Output Resolution
- PoE++ Camera Power
- 5-Year Warranty

Effortless Extension

Place your PTZ camera farther away while maintaining high-quality 4K video.

Flexible Deployment

Utilizes readily-available CAT cabling for a cost-effective and adaptable installation.

Compact Design

Takes up minimal space and integrates seamlessly into any environment.

Plug & Play Simplicity

Operates immediately upon connection, eliminating the need for installing drivers.
