

Setup Screen Share on AVer's interactive flat panel with a MacBook

AVer IFP

1

Setup the Wi-Fi network connection.

2

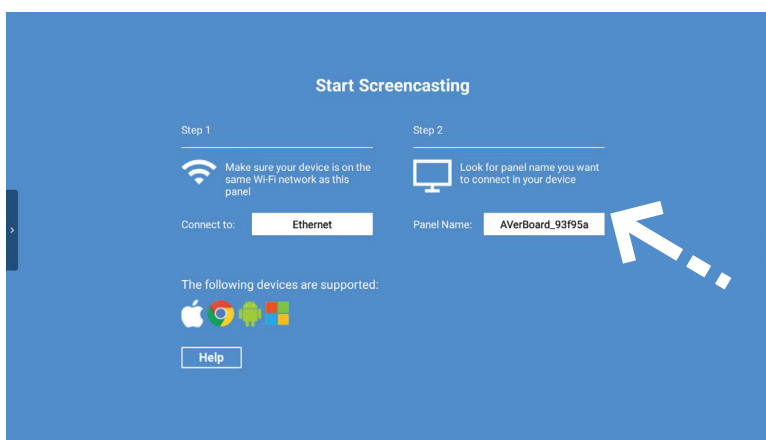

Make sure AVer's interactive flat panel and the sharing device are on the same network.

3

Launch the **Screen Share** app.

Screen Share

MacBook

1

Under menu, click **Screen Mirroring**.

2

Select **AVerBoard** from the list.
