

AVerCharge T18

18 Device Compact Charging Tower

- Simultaneous power strip charging
- Advanced cable management system
- Small footprint
- Ships fully assembled
- Wall mount kit included
- Unsurpassed customer support & warranty

T18 comes preassembled and ready to charge in the most compact design yet. Taking up minimal classroom space with its vertical design makes this tower the perfect device management system for classrooms needing a fixed charging solution.

Efficiently Compact

The smallest footprint at 18.5" wide leaves more space for interactive learning, while supporting 18 laptops, Chromebooks, or tablets up to 16".

Integrated Cable Management

Built-in locking cable clips on both sides of the tower, create an organized and efficient cable management system located at the front for smooth access to quickly plug and unplug devices.

Ships Fully Assembled

T18 comes preassembled, ready to instantly start charging devices, and mounts easily to the wall for increased security and stability.

Effortless Charging

No programming or monitoring needed, and devices are simultaneously charged without worry of circuit overload.

Unmatched Service & Warranty

The T18 includes AVer's best in class service and warranty program with technical support, along with a 10-year mechanical and a 5-year electrical warranty program.

Compatible with All Classrooms

T18 is a universal solution that is adaptable to mixed learning, 1:1, and BYOD making it a perfect charging tower for any learning environment.
