

## Background

The John S. McCain National Defense Authorization Act 2019 (NDAA) is a United States federal law which specifies the budget, expenditures and policies of the U.S. Department of Defense. The NDAA 2019 Section 889, prohibits the U.S. government from procuring video and telecommunication equipment from certain Chinese companies and their subsidiaries.

## Our Statement

The AVer products are designed for use as part of video systems which comply with NDAA 2019, Section 889. They also follow our extensive cyber testing process and do not contain components from any of the companies highlighted in NDAA 2019, Section 889.

Specific AVer products that can be used as part of NDAA Section 889 compliant systems are:
